

Project report

Overview :

Our project name is infographic.
First we will choose a template. We will name employee training methods.
We will change into E training, webinars, on the job training, gamification.

Purpose:

- Quickly communicate a message
- Monitor changes in variables

Advantages :

- Capture attention
- Convey information

Disadvantages:

- High amount of time required for preparation

Applications:

- It makes you stand out
- We can transform ideas into tangible products

the job training, gamification.

Purpose:

- Quickly communicate a message

- Monitor changes in variables

Advantages :

- Capture attention

- Convey information

Disadvantages:

- High amount of time required for preparation

Applications:

- It makes you stand out

- We can transform ideas into tangible products

Conclusion:

- If you want to share information with someone

- Infographics are an aesthetically pleasing way to summarize data.
